HINDI CLUB REPORT

2017-2018

As a part of Club Activity, Hindi Club students had an opportunity to explore themselves through their acting skill.

They chose to act on a drama named **'Kya Meine Galath Kahaa?'** It was a comedy based drama which the students experience in a class room. The students learnt questioning technique, creative thinking, exchange of ideas and moral values like respecting elders & peers, discipline and mutual helping through the drama.

They enjoyed and had fun throughout the club activity classes. It was a good learning experience for one to express their views in the precise manner at the right time.
