### REPORT ON CLUB ACTIVITY FOR GRADE-3 TO 5

“I can do things you cannot,  
You can do things I cannot;  
Together we can do great things!”

- **Mother Teresa**

Clubs are aimed at providing a platform for the children to not only showcase their talent, but also gain more knowledge in the chosen subject. The various Club Activities held for children of **Grades 3 to 5** across different subjects during Term II for the academic year 2017-18 culminated on 6<sup>th</sup> March 2018 with a presentation by each Club.

Beginning with the **Sanskrit** Club '**UNNATI**', the children showcased 'An Introduction to Srimad Bhagavadgita'. The presentation included a recitation of the shlokas from the 18 chapters of the Gita together with their translation in English. The **Kannada** club **Chiguru** presented a medley on 'Swarachita Chutukugalu' followed by a debate on the pros and cons of usage of 'Mobile phones among children'. The activity enunciated a strong desire for enhanced learning of language skills and the applications of the same.

As part of the **French** Club, **Vive La France**, the students performed a skit depicting the Heroine of France- Jeanne D'Arc. The skit showed how the patriotic Jeanne bravely fought against the enemies of France- The English. The audience was enthralled by the play and was motivated to be patriotic towards their own motherland too. '**Civic Society**', the **Social Studies** club presented a glimpse of the day-to-day issues of the society, with programmes like mime and skit that focused on social evils like corruption, gender inequality and also awareness on a few schemes and laws introduced by the Government.

'**Anubhav**' the **Hindi** club aimed at inculcating creativity in the Hindi language in terms of spoken and written communication skills that in turn contributes to the overall personality development in the child. The children not only involved themselves in composing short stories and poems, but also used their imagination to create and present a few on the topic **Holi**.

The **English** club, '**Literary Quills**' was aimed at fostering language skills in children an enjoyable manner. The club members were housed in five groups representing famous English writers, viz., Sarojini Naidu, Ruskin Bond, Charles Dickens, Sudha Murthy and J.K. Rowling. Each group made charts about their respective authors and some came dressed as the respective writers. They recited poems, quizzed the audience with short riddles, spoke about the importance of English in today's world, to name a few.

The main aim of the **Mathematics** Club aptly called **Ramanujan** was to promote the applications of Math in daily life and also help develop higher order thinking in children. Students exhibited activities that demonstrated solid concepts through brain gym, solved puzzles and worksheets created by the children themselves! **Flora and Fauna** or the **Science** club helped familiarize students with scientific research by giving them an opportunity to explore Science through hands-on experiments. The team was divided into four groups' viz., Physics, Chemistry, Biology and Biochemistry, involving students in scientific activities under the supervision and guidance of Science faculty.
